

Tailoring worldwide solutions in Cayman

RBC Wealth Management Corporate & Institutional business segment in Cayman provides trusteeship, custody, banking, corporate services and fund administration to local and international promoters and institutional clients.

Who we are

RBC Wealth Management Corporate & Institutional business segment in Cayman provides trusteeship, custody, banking, corporate services and fund administration to local and international promoters and institutional clients.

What our global network means to you

Our clients have access to a strong global RBC network, which means we are well-positioned to help you implement your strategy and planning anywhere in the world, in addition to getting local expertise.

Benefit from a broad range of value-added services and tailored solutions, including:

- Trusteeship
- Global custody (covering more than 80 global markets in major financial centres around the world)

- Banking
- Fund administration services (for funds domiciled in the Caribbean and Channel Islands)

Our team of professionals

When you need advice, you can count on our people, who are knowledgeable in their field and well-versed in the establishment of funds and in the regulatory and operational requirements for both traditional and alternative investment structures.

Strength in partnership

We have the distinct advantage of being able to combine our strengths with those of our colleagues in the other RBC Wealth Management offices worldwide. Utilising their centres of excellence and collaborating with our strategic partner RBC Dexia, the result is a solution that dovetails to clients' needs.

Our aim is to provide you with a seamless trustee, fund administration and custody service that will be proactive, responsive and integrated to meet your specific tailored needs. By working in strategic partnership with our centres of expertise, we are able to achieve this goal and offer existing clients and new prospects an unparalleled service proposition.
