

INTRODUCING RBC WEALTH MANAGEMENT

International Investment Advisory and
Securities Brokerage services in Barbados

RBC Wealth Management™

RBC Wealth Management's international investment advisory and securities brokerage services in Barbados are provided by RBC Dominion Securities Global Limited. RBC Dominion Securities Global Limited is a member company of Royal Bank of Canada ("RBC"). With offices in the Cayman Islands, the Bahamas and Barbados, RBC Dominion Securities Global Limited is a wholly owned subsidiary of RBC Dominion Securities Inc., Canada's leading full-service investment and wealth management firm. Royal Bank of Canada has been a prominent member of Barbados' financial community since 1911.

RBC Dominion Securities Global Limited's trade execution, settlement and custody are handled by RBC Dominion Securities Inc. This relationship with our Canadian parent company ensures that all accounts are managed in accordance with the highest industry standards. As a result, our clients experience all the benefits of a Caribbean-based relationship along with the safety and security derived from having their assets held with Canada's largest investment dealer.

ABOUT BARBADOS

As an independent member of the British Commonwealth, Barbados enjoys the benefits of having an outstanding record of social, economic and political stability. Recognized for its business-friendly environment, strong human capital, excellent telecommunications infrastructure, transparent legal and regulatory framework and tax advantages, Barbados offers a full range of international financial services and products in a low tax environment. Barbados has a network of Double Taxation Agreements with many traditional and emerging economies in the Americas, Europe, Asia and Africa which offer tax advantages to investors that use Barbadian resident entities to conduct business in other countries. As a jurisdiction, Barbados is committed to maintaining its high standing as a well-regulated, responsible international financial centre through its transparent and sophisticated legal and regulatory standards and regulations.

ABOUT RBC — CANADA'S LARGEST BANK

Chartered in 1869, RBC is Canada's largest bank as measured by assets and market capitalization, one of North America's leading diversified financial services companies and among the largest banks in the world as measured by market capitalization.

Beyond its Canadian base, RBC has a broad global presence, with offices in more than 50 countries. Over 18 million individual, business, public sector and institutional clients have entrusted RBC with total assets under administration in excess of C\$655 billion. RBC has one of the highest credit ratings of any financial institution, Aaa (Moody's), AA- (Standard & Poor's), AA (Fitch), and AA (DBRS), and its shares are listed on the Toronto, New York and Swiss stock exchanges.

OUR INTERNATIONAL INVESTMENT ADVISORS — COMMITTED TO THE HIGHEST STANDARDS

From the moment you become our client, our International Investment Advisors will provide you with the highest calibre of professional service, sound advice, superior research and investment recommendations based on your specific needs.

Experienced in international investment strategies and backed by leading research partners, our International Investment Advisors can help you identify favourable investment opportunities in keeping with your objectives.

Our International Investment Advisors are armed with the experience, knowledge and tools needed to provide our diverse clientele with quality international investment recommendations. To ensure a superior client experience, they have access to an outstanding support network. From highly qualified asset class specialists and market strategists to third-party money managers and researchers, our International Investment Advisors can draw upon the expertise required to provide our clients with innovative and customized wealth management solutions.

OUR APPROACH TO SERVING YOU — FOCUSED ON RELATIONSHIP, EXPERTISE AND CHOICE

Our International Investment Advisors will provide you with full-service international investment services and assist you in meeting your financial goals through our dedicated course of action.

Understanding your wealth management needs

Our portfolios are not programmed solutions; instead, each is customized to fit your personal situation and investment objectives. As such, you are directly involved in the decision-making process, and it is our job to provide recommendations and execution that exceed your expectations.

Personalized service

By taking the time to understand your individual situation, your International Investment Advisor is able to provide the solutions you need in both the short and long term. Working closely with you, they will help you define and achieve your investment goals with a custom-designed portfolio that reflects your personal needs on an ongoing basis.

An in-depth understanding of your region

Our International Investment Advisors are attuned to the cultures and languages of the regions they service. Many of them are originally from the regions they now serve, or they have lived there for long periods of time. As a result, they are better able to understand the needs of our diverse clientele.

OUR INVESTMENT SOLUTIONS

Clients work in conjunction with an International Investment Advisor to design, construct and monitor an entire portfolio of international securities. As our client, you will have access to a wide variety of wealth management solutions including:

- Global equities
- Global fixed income
- Emerging markets fixed-income
- Money market/cash management services
- Hedge funds/alternative investments
- Derivatives
- Foreign exchange trading
- International mutual funds
- Discretionary investment management
- Multi-currency trading capabilities
- Access to some of the world's best money managers
- Customized structured products
- Margin accounts
- Fee-based, wrap and traditional transaction-based accounts
- Access to view accounts online
- Access to a full suite of RBC Wealth Management products and services including trust, credit, international private banking, and custody.

Our structure also provides us with desktop access to RBC Dominion Securities Inc.'s trading tools. This means our International Investment Advisors have real-time, direct, electronic access to major North American equity markets and a substantial selection of fixed-income and money market securities. Through our multi-currency platform, we can provide trade execution and custody, as well as separate foreign-currency reporting in most of the world's major currencies.

This broad range of financial products is designed to give you the choice and flexibility to realize your investment goals.
