

High-quality investment management services tailored to your personal needs and aspirations

RBC® is one of the world's leading diversified financial services companies. We are distinguished by a long heritage of financial strength, integrity and unwavering dedication to our clients. The international division of RBC Wealth Management serves high-net-worth, corporate and institutional clients through offices in key financial centres around the world.

Our discretionary investment management service is ideal for high-net-worth clients who want freedom from intensive management that substantial wealth requires. It is a service that gives you the reassurance of our continuity and strength. A service that brings you worldwide investment expertise and the kind of service that can only be properly delivered through a personal relationship. A service that is focused on you and your needs.

We will work diligently to design your investment portfolio, selecting from among the world's top-tier managers, to help you achieve your specific goals. Our approach is to work with you — and your other advisors and family members if you

wish — to provide tailor-made solutions that meet your goals. Leading with the “discovery” stage of understanding you, your situation and needs, we will take you through the process of development and implementation of your strategy, to the ongoing monitoring and management of your investments. It comes full circle in our continued communication with you and the regular review of your changing circumstances.

Services

- Your investment objectives are thoroughly analyzed to determine your personal circumstances and requirements for growth, capital preservation, time horizon and reliable income.

- Your customized portfolio plan is developed by objective, professional advisors with asset allocations reflecting your risk tolerance, currency choice and other preferences.
- Your investments are managed by world-class investment managers with relevant specialized expertise to meet your financial objectives.
- Your portfolio manager provides regular performance reports, measuring results achieved against appropriate benchmarks.
- Your overall investment strategy is carefully reviewed, revised and updated as your objectives evolve and change over time.

Benefits

- Your investments are managed by experienced investment professionals according to your wishes, while you are freed from the burdens of intensive day-to-day management.
- Your personal investment strategy and portfolio plan take all relevant factors into account to achieve your long-term objectives.
- You have the assurance of dealing with a financial institution with worldwide expertise, continuity and strength.
- You have access to leading investment managers worldwide and to world-class investment products.

- You are provided with reliable information, meaningful communication and sound investing practices by a team of dedicated professionals that follows a careful and thorough process to help you meet your goals.

Our invitation to you

RBC Wealth Management is committed to building client relationships based on sound advice, expertise and personal choice.

Relationship

Your relationship manager is always accessible as your singlesource contact for all your investment management needs, as well as any other financial services you may require.

Expertise

Our comprehensive array of financial services is provided by highly qualified specialists including private bankers, investment advisors and trust practitioners, many of whom hold professional designations in law, accounting and investments.

Choice

In addition to investment management, you may also choose from a wide range of banking, investment advisory and brokerage services, as well as estate, tax and wealth management plans using international structures to achieve long-term financial objectives.

RBC Wealth Management™

This fact sheet has been issued by Royal Bank of Canada on behalf of RBC® companies that comprise the RBC Wealth Management network. Services outlined may be provided by a variety of subsidiaries and offices, either independently or acting together. Royal Bank of Canada is regulated by the Office of the Superintendent of Financial Institutions in Canada. You should carefully read any risk warnings or regulatory disclosures in this fact sheet or any other literature enclosed with this fact sheet or forwarded to you by Royal Bank of Canada, its subsidiaries or affiliates.

Some of the services detailed in this fact sheet are not offered in all jurisdictions and may not be available to you. This document does not constitute an invitation to buy or the solicitation of an offer to sell securities or any other products or services in any jurisdiction to any person to whom it is unlawful to make such a solicitation in such jurisdiction. Consult with your financial advisor before making your investment decisions. Any products and/or services described in this fact sheet are provided by a variety of Royal Bank of Canada subsidiaries and offices, either independently or acting together, operating in a number of different jurisdictions. You should note that the applicable regulatory regime, including any investor protection or depositor compensation arrangements, may well be different from that of your home jurisdiction. This fact sheet is intended as general information only and is not intended as taxation, legal, investment or other professional advice. You should always obtain independent professional advice particular to your individual circumstances.

Royal Bank of Canada, its affiliates and subsidiaries and their officers, directors, employees and agents are not responsible for and will not be liable to you or anyone else for any damages whatsoever (including direct, indirect, incidental, special, consequential, exemplary or punitive damages) arising out of or in connection with your reliance on the fact sheet, even if the Royal Bank of Canada, its affiliates or subsidiaries or their officers, directors, employees or agents have been advised of the possibility of these damages.

In the UK this fact sheet has been issued by RBC Investment Management (UK) Limited, which is authorised and regulated by the Financial Services Authority under the Financial Services and Markets Act 2000 to carry on investment business.

Investment management products and services described in this fact sheet are not deposits, are not insured by the Federal Deposit Insurance Corporation or other similar institution, may lose value and contain no bank guarantee. Past performance is not necessarily a guide to future performance and any exposure to foreign currencies may cause additional fluctuation in the value of any investment.
