

## RBC Wealth Management Graduate Opportunity

### Overview

The international arm of RBC Wealth Management delivers solutions to over 35,000 high net worth individuals and institutions through a network of over 30 offices in the British Isles, Continental Europe, Asia, the Middle East, the Caribbean, Latin America and North America.

RBC Wealth Management is the largest international trust provider in the British Isles and in 2008 was named the best provider of trust services in the UK by Euromoney for the third consecutive year.

At RBC we believe our people are our main strength and take pride in offering our employees continuous learning and development opportunities. As part of this commitment, we run graduate training programmes each year with the goal of developing highly skilled individuals who understand our business as well as our clients' needs.

### Opportunity

We currently have places available on our International Wealth Management (IWM) Graduate Training Programme in London for our September 2010 intake. This unique programme is aimed at offering extensive learning and development opportunities across the entire RBC Wealth Management business.

The programme will help build your technical knowledge, your competency-based skills, and, crucially, your awareness of what people do to make the business function as a whole.

Over a period of two years you will rotate across core businesses throughout our British Isles offices – primarily based in London with the possibility of rotations in our Jersey operation – and subject to availability - our Edinburgh and Cheltenham offices.

Over the course of the programme participants are supported in developing their technical and competency-based skills through practical on-the-job and classroom-based training as well as the commencement of professional qualifications.

### Requirements

- Degree classification: minimum 2:1 or higher degree (any degree discipline accepted)
- Hold B average at 'A' levels, ideally including Maths and English.

### Skills

- Strong written and verbal communication skills
- Strong organisational skills and ability to prioritise and act on own initiative
- A high degree of accuracy and attention to detail is essential
- Strong analytical, numeracy and IT skills.

### Application process

Please submit your application by email, sending your CV & covering letter to: [gradcareerswm@rbc.com](mailto:gradcareerswm@rbc.com)
