

Private Banking in the Cayman Islands

Cayman Islands information

Royal Bank of Canada Trust Company (Cayman) Limited has built its reputation on understanding the needs of individuals throughout all stages of their financial life. We are able to provide an impressive level of service through experienced relationship managers. For you, this ensures a remarkably different client experience.

Our product offering

Our Private Banking product offering has expanded beyond interest-bearing cash accounts and term deposits (accounts can be set up in seven different currencies). We now provide clients with access to a range of solutions tailored to addressing their full spectrum of wealth management needs, including:

- Banking and cash management
- Multi-currency / Foreign Exchange (FX) Transactions
- Discretionary investment management (minimum US\$1 million)
- Advisory investment management (structured products, equities, bonds, mutual funds)
- Credit (cash, secured lines of credit)

Our fees

Our services are appropriate for investors with a minimum of US\$1 million or currency that's equivalent to or more than US\$1 million to place with us. The annual Private Banking fee is US\$1,200 per year.

Our clients' profile

Clients typically have an international aspect to their lives. They:

- Are residents non-domicile
- Are international executives or professionals
- Live or intend to live abroad in the near future
- Have business interests in more than one country
- Receive some or all of their salary/income in foreign currencies
- Also offer our high net worth services to Cayman Island residents

A remarkably different experience

When you open an account with RBC Wealth Management, your relationship manager will take you through a comprehensive financial review. This discovery process will enable you to explore your financial goals and aspirations so your relationship manager can recommend an effective financial strategy truly focused on your needs.

Your personalized strategy will reflect:

- Your current international banking needs
- The levels of income and return that you require
- Your attitude toward associated levels of risk
- Effective methods of wealth management for your personal circumstances

Through your relationship manager, you also have access to a global network of specialists should your circumstances require it.
